

## PayrollOrg (APA)

Our success is achieved through membership at the national level. We value PayrollOrg membership as a shared commitment to improving the work lives of payroll professionals. We empower our members not only through education but seeking recognition for the work they do in today's business and legislative environment. Representing more than 20,000 members, we are the industry's highly respected and collective voice in Washington, D.C. and beyond.

## Who Are We?

The Milwaukee Chapter formed in 1994 and is a 501©3 organization with the following objectives:

- Enhance the Payroll Professional's skills through education and networking
- Influence legislation affecting payroll and related issues
- Gain recognition for the Payroll Professional

# Chapter Meetings every 3<sup>rd</sup> Wednesday of the month

Check our calendar of events for changes

## Celebrate National Payroll Week! First Week in September

## Community Involvement

Our Chapter believes in giving back to the community. Every monthly meeting highlights an organization in need. The picture to the left shows what was collected for the Hunger Task Force at a monthly meeting.
