

Come Find Your People!

Come join us on the third Wednesday of most months, either in person or virtually, and network with fellow payroll professionals. **The first in-person meeting is FREE!**

Find fellow users of the systems and processes you are using or learn about new and different systems and processes. Our informal afterwork meetings not only offer this networking opportunity but also offer informative speakers who cover a wide variety of topics and vendors who relay what their systems can offer. Find out about new legislations being discussed or new requirements & taxes that have recently been put in place. You can take advantage of the FREE study group to prepare yourself for the CPP or FPC exam and you can gather links to many other payroll related websites.

You would certainly be welcomed to our Greater Milwaukee PayrollOrg Chapter (formerly APA) and to join the more than the 20,000 PAYO national members. Look at our website and the attached brochure for more information and be sure to reach out to anyone on our membership committee.
