

## PayrollOrg

(previously American Payroll Association)

Our success is achieved through membership at the national level. We value PayrollOrg membership as a shared commitment to improving the work lives of payroll professionals. We empower our members not only through education but seeking recognition for the work they do in today's business and legislative environment. Representing more than 20,000 members, we are the industry's highly respected and collective voice in Washington, D.C. and beyond.
